PROGRAMME

Dear friends,

It is my honor and pleasure to welcome you to the Second Meir Medical Center International Foot and Ankle conference.

The 1st Foot and Ankle Congress in Israel was a big success.

7 countries

More than 120 participants

Great lectures and Incredible discussions

The Second Congress in 2022 - September 22nd to 23rd, is ready to go. Twelve International and seven local speakers. Busy program with great topics

We are honored to be patronaged by EFAS - European Foot and Ankle Society

We are waiting for the final approve for CME of the European Accreditation Council for Continuing Medical Education

Submission for e-poster with option to podium presentation is already open

We hope you'll join us

The meeting will cover the most innovative subjects in foot and ankle surgery. For that purpose, we have invited distinguished friends from abroad who will share their experience with us.

The program is loaded with interesting topics, some of which are controversial.

I hope you all find the time to meet old friends and to make new connections. We expect to see you in Meir Medical Center Kfar-Sava for a productive and interesting two days.

Ezequiel Palmanovich, MD
