

Masterclass Addidream Ankle Instability

Start Date: 28/11/2024 14:00

End Date: 29/11/2024 16:45

The poster for the 'Masterclass Addidream Ankle Instability' features a dark teal background. At the top left, a light blue box contains the text 'Masterclass Ankle instability'. Below this, the dates '28th and 29th November 2024' and the location 'Skylab - 3 rue de la Pastière 44115 Haute Galaine Nantes France' are listed. The experts 'Yves Tourné and Stéphane Guillo' are mentioned at the bottom left. The center of the poster is dominated by three circular images: a large one at the top showing a cityscape, and two smaller ones below it showing anatomical diagrams of the ankle. To the right of these images, the 'ADDIDREAM' logo is displayed. Below the logo, the 'Topics covered' section lists: 'Medial Calcaneal osteotomy', 'In medial and lateral oblique wedge osteotomy', 'Lateral ligaments anatomical repairs with augmentation', and 'Anteroposterior lateral ligaments anatomical reconstructions with a bandage'. The 'Schedule' section details: '28th November 2024' (14:00 Academic presentations, 16:00 Clinical cases discussion) and '29th November 2024' (09:30-12:00 Hand-on practice on anatomical models, 13:30-16:45 Hand-on practice on anatomical specimens). At the very bottom, a small note states: 'Our MasterClasses are under the patronage of EFAS and eligible for CME Credits. Contact: International telephone: +33 2 52 22 22 33 or by e-mail: international@addidream.fr. Our training courses are given in english. Registration is subject to availability (4 participants)'.
